

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

We need more diversity in media in this country, not less. Allowing mega-corporations to monopolize media markets and distribution systems is unAmerican! Protect what diversity and competition is left!
